"Selected Papers will be published in UGC/Scopus/WoS-ESCI Indexed Journal"

CALL FOR PAPERS

Authors are invited to submit manuscripts reporting original unpublished research and recent developments in the topics related to the conference. It is required that the manuscript follows the standard IEEE format. Authors can submit full papers of up to 10 pages.

ICITMSD-2019 will cover a wide range of issues related to Information Technology, Engineering Technology, Computer Applications, Future computing, Business and Management problems and their applications in education, and other subjects for Sustainable Development.

PAPER SUBMISSION

ICITMSD-2019 welcomes the submission of research papers that meet the general criteria of original and scientific excellence in Information Technology, Engineering Technology, Computer Applications, Future computing, Business and Management problems and their applications in education, and other subjects for Sustainable Development.

All selected papers will be Double-Blind Peer Reviewed and will be published in SCOPUS Indexed Journals or UGC Approved Journals. The Paper will be published as Journal paper (Regular / Special Issue) not just as conference proceedings. All papers must be submitted via EasyChair : <https://easychair.org/conferences/?conf=icitmsd2019>
